

SPARKLING

	GLASS	BOTTLE
Pongracz Traditional blend of Pinot Noir and Chardonnay with extended time on the lees for maximum flavour development.	65	270
Villiera Brut Rosé After more than two decades, this brand has created its own tradition. It is, of course, made in the traditional Champagne method. And the Griers of Villiera represent all that is good about traditional values. Tradition remains as vibrant and satisfying as ever!		245
Graham Beck Brut NV The perfect bubble started with the vision and pioneering spirit of an extraordinary man, implemented by a winemaker they now call 'Bubbles' Ferreira.		310

ROSÉ

	GLASS	BOTTLE
False Bay (Waterkloof) Rosé Waterkloof has rapidly become one of the movers and shakers of Cape wine. Made in a typically Southern France style.	31	110
De Grendel Rosé Rosé doesn't come any more easy going than this. Gorgeous berry flavours from Pinotage and Cabernet Sauvignon make it absolutely spot-on as an aperitif or food companion.		130
Waterkloof Circumstance Rosé Made from Mourvedre, one of the Mediterranean's pre-eminent varieties for rosé. A more serious style of pink, with layers of complexity built by natural fermentation in old oak fermenters.		200

WHITE

	GLASS	BOTTLE
False Bay (Waterkloof) Sauvignon Blanc	31	110
Waterkloof has rapidly become one of the movers and shakers of Cape wine. This one is zingy, lively and fresh.		
Terra del Capo Pinot Grigio		135
With its lively acidity and fresh flavours of citrus and apples, this wine is a standard bearer for the qualities that have made pinot grigio one of the world's favourite lunchtime whites (and all-round great accompaniment to Italian food).		
Nederburg The Winemasters Sauvignon Blanc		135
A lively wine, with tropical, crisp and zesty notes.		
Neethlingshof Unwooded Chardonnay		135
Whether sipping or supping, this Chablis-style wine does a fantastic job. Great balance.		
Secateurs Chenin Blanc (Badenhorst Family Wines)		149
Ancient bush vine Chenin is a natural treasure, and Adi Badenhorst treats the fruit from these 50-year-old vines like gold.		
Lomond Sauvignon Blanc		149
Planted on virgin vine lands, these vineyards face a daily barrage of southerly winds blowing across the ocean, just 8km away. The purity of the fruit and cleansing nature of the acidity are just spectacular.		
Springfield Life From Stone Sauvignon Blanc		220
Abrie Bruwer, a fisherman and pilot in his spare time, is one of the Cape's most deeply contemplative winemakers. His reverence for the land that his family has farmed for four generations shines through in their thoughtful range of wines.		
Ken Forrester Reserve Chenin Blanc		220
Ken describes this wine as "a great example of the harmonious balance which can be achieved between fruit and delicate oak/vanilla flavours". We see no reason to disagree with him!		
Mulderbosch Chardonnay		220
This is a great example of barrel-fermented chardonnay. The oak does little more than 'kiss' the citrus fruits, and the palate remains lively. Previous vintages have earned five stars from Platter.		
Hartenberg Chardonnay		240
Gorgeous citrus fruits and well-balanced oaking. Hartenberg pedigree shines through.		
Iona Sauvignon Blanc		290
Iona has been at the forefront of establishing Elgin as one of the Cape's best winegrowing regions, with its delicious Sauvignon Blanc leading the way.

GLASS BOTTLE

- False Bay Shiraz (Waterkloof)** 31 110
Waterkloof has rapidly become one of the movers and shakers of Cape wine. We love this wine's ripe berry flavours, its spice and gentle tannins.
- Peacock Wild Ferment Syrah** 125
Natural yeasts are the riskiest, but ultimately most rewarding, way of making wine. The 'natural' way is also followed in the vineyards, with fully biodynamic practices. The proof is in the glass!
- Hartenberg Cabernet/Shiraz** 165
The winegrowing history of Hartenberg started more than 300 years ago, and the property continues to improve on its own lofty standards. No surprise that their 'entry-level' over delivers to this extent.
- Zonnebloem Merlot** 165
Medium bodied, oak-aged wine from dryland Stellenbosch vineyards. Super-dependable.
- Terra del Capo Sangiovese** 165
Sangiovese is at the heart of Chianti; this is a well balanced red that complements a variety of dishes.
- Neethlingshof Pinotage** 185
Packs a punch of flavour, with intense plummy fruit, some spiciness, and the extra heft of ageing in a combination of French and American oak barrels. Good value.
- Trizanne Signature Wines Syrah/Grenache** 185
Trizanne Barnard is making some of the Cape's most interesting wines from sourced grapes. Swartland provides the grapes for this soft and juicy wine with spicy notes.
- Lomond Syrah**..... 215
The wind-chilled vineyards in Elim give great expression to shiraz. Lovely intensity of fruit, balanced by fresh acidity.
- Tokara Cabernet Sauvignon** 220
Tired of over-the-top, slightly sweet blockbusters? This cabernet delivers elegance, refreshment and overall food-friendliness.
- Meinert Cabernet Sauvignon** 265
Martin Meinert is one of the winelands' true gentlemen, a modest man not given to hyperbole or self-aggrandisement – much like this elegant and refined wine.
- Paul Cluver Pinot Noir** 375
Elgin's high-altitude vineyards provide Pinot Noir with the ideal growing conditions, and the people at Cluver do a brilliant job of guiding the fruit from vineyard to bottle. Luxury in a glass!
